The Firehole

This table features a rare assemblage of hard-to-find burl accents and medallions. The Firehole represents the zenith of our efforts in both materials and craftsmanship and is a true *tour de force* in billiard tables.

(Right detail) Legs and supporting center members reveal the gnarled beauty that is unique to burl branches and logs. All joints are expertly mortised and tenoned.

The above model is Burl embellishment. This table is also available in Standard and Wilderness embellishments.
